CHRYSANTHEMUMS

For the Garden

New and Choice Early English
and
Korean Varieties

Grown and for Sale by

JOHN C. ESKESEN

3831 Eddy Street

SEATTLE, WASH.

Phone RAinier 2691

To My Patrons:

The list of dates given for maturity are based on average growing conditions in May and June planting. However, the difference in locality and climatic conditions must be taken into consideration in the blooming of the plants.

Terms of Sale

Terms: Cash. Register all letters containing currency.

Washington 2% sales tax applies only on sales within the state.

No orders accepted for shipping for less than \$1.00.

No postal charge for parcel post shipments within the United States.

Claims for damage must be assumed and entered against the carrier by the buyer.

NON-WARRANTY: It is my desire to satisfy my customers by supplying strong, healthy plants—true to name. While I use the utmost care in filling orders and to keep my stock true to name, I give no warranty, expressed or implied, and can not guarantee or be in any way responsible for the crop, either as to variety or product. All orders received will be executed on these conditions only and they must be accepted by the customer when ordering.

Yours respectfully,

JOHN C. ESKESEN.

Early Flowering Chrysanthemums for the Garden

The early flowering varieties have been greatly improved of recent years and when established make a splendid show in bed or borders when most other flowers are getting over. The dates given are times which they usually commence blooming.
